

## New Right Angle Smart Pro OBD Master Cable ADC2013 - TT0471XXXX

April 2022

**Advanced Diagnostics is pleased to announce the release of a new optional accessory for Smart Pro.**

**The Right Angle OBD master cable gives more flexible positioning options to make the use of Smart Pro even more convenient.**

What does the Right Angle OBD master cable do?

ADC2013 attaches to the Smart Pro 50 way connector and connects to the vehicle OBD socket.

The Right Angle allows the cable to fall vertically giving a more comfortable and safe operating position when Smart Pro is held in the hands. This position also helps protect and prolong the life of the cable.

The cable is 1.5m in length and is produced in conformity with CE/ FCC mark standards.

What else is needed?

Smart Pro
